By GRAYCE RYCKMAN
FRONTIER 5-2110

We'll start out this week with a welcome home to Mac and Joe Shields of 5230 Binkewald Rd. They returned last Friday evening from a two-week vacation trip that took them to Las Vegas, Oklahoma, Mexico and Corpus Christi, Tex. They visited both his and her relatives and proclaimed it the best vacation they have ever had. They were somewhat surprised to find our homes still standing, after reading about the earthquake.

We are very happy to announce that our own Atha Prime Mison—of Binkewald—won the first prize (blue ribbon) for the art display she had at the Manhattan Fair. If you did

not get to see her work. I'm sure she would be pleased to show it to you. Just stop by 53511.

Many of our residents had the pleasure of visitors this past week or so. Beamingly happy is Connie Priestly of Vanderhill Rd. She and her family are entertaining her mother and father, Mr. and Mrs. F. Everett McCord of Iowa Falls, Ia. and her sister, Mrs. Robert Minnis and her children Bill, Sara and Franklin of Riceville, Ia. There was a big family picnic at Bixby Park in their favor last Saturday. Another of Connie's sisters was there, Mrs. Jerrald L. Kane of North Redondo. Many other excursions are being made and plans are endless.

Mrs. June Chomnie and her family, of Zakon Rd., are real happy to have her parents here for a visit, too. They are Mr. and Mrs. Ray of Houston, Tex.

Mr. and Mrs. P. L. Jurisch of Binkewald Rd. had an overnight guest last week. Mr. Neil Good of Miami, Fla. The two families have been friends most of a long time. He is an airline pilot and had a stop-over in Los Angeles.

We would like to join all the members of the Walteria Baptist Church in offering our sincere sympathy to Rev. Andrew Duty, pastor of that church and a resident of Vanderhill Rd. here in the Heights. As you know, the church was destroyed by fire last week and services were held outside last Sunday.

Just a couple of Sundays previous, the seven-year-old son of Mr. and Mrs. Jerry Richards, Danny, was baptized at that church, quite possibly the last baptism ceremony to be held in the "old" church. Fortunately the new church already has been started and the fire will be an incentive to complete.

Has anyone seen a multi-colored cat that seems to be lost? He is Mr. and Mrs. Steele and their children returned home from their vacation last week to find him missing, and the children are heartbroken. So if you have seen him . . . or do see him . . . would you call me . . . or take the cat to 5008 Macafee Rd?

Getting their first taste of parenthood are Robert and Vee Reid of 1715 235th St. After being married fourteen years they were presented with a son, whom they named David Taylor. David weighed 5 lbs., 5 1/2 oz. at birth, and arrived at the Torrance Memorial Hospital July 19, at 10 a.m., daddy Bob so proudly told me. Grandparents are Mrs. R. T. Reid of San Diego and Mr. and Mrs. H. L. Hinshaw of Long Beach. Mrs. Hinshaw is now staying at the Reid household to help Vee and Bob get "broken in" to having a baby around the house. How very thrilling and exciting, so all our best wishes and congratulations, and may you have many years of enjoyment with your son!

visit to her niece, Mrs. Dorothy Palmer of Middlebrook Rd., was Mrs. George Kearns. She was enroute to Merced by air, but stopped overnight to see and chat with Dorothy and Ed. Also here from Boston, but for a longer stay, is Mr. Timothy J. Burns, Dorothy's father. During Ed's vacation they have taken short trips sightseeing, but perhaps the most exciting was the one last Tuesday when they made a tour of 20th Century Fox studios as the guests of Mr. Steve Brody, an old friend from Boston, now a film executive. Dorothy reports it was most instructive and interesting.

Gloria and Bill Hixson, of Kathy Way, left last weekend for their vacation . . . they drove up to Merced, where they will stay with Gloria's mother, Mrs. Cora Milligan. If the weather and social engagements permit, a sightseeing trip to San Francisco is also on the agenda. Bill has never seen Frisco.

After a delayed start when the boat that was chartered for them didn't show up and they had to be picked up by another, C. A. C. A. Jr. and Jeri Jobe of Western Ave. enjoyed the day last Saturday deep sea fishing. Between the three, the catch amounted to 35 mackerel, so though the day got off to a bad start it didn't end too badly. Jeri said it was fun anyway in spite of getting a good sunburn and a sick headache, and she's ready to go again. The Jobe family recently spent three days, at Big Bear, just relaxing and enjoying themselves.

There are only two birthdays this week, both on Friday, Aug. 1, so let's wish a happy birthday to Danny Hampton of 236th St. and to Orabelle Youngs of Reynosa Dr. Anniversary wishes for many more years of wedded bliss go to Holly and Gertrude Kidner of Kathy Way on the 31st of July to Grant and Marie Tidmarsh of Middlebrook Rd. on Aug. 2, and to Bob and Edith Crawford of Santa Fe St. on Aug. 4.

May we extend a hand of welcome to the new family at 2738 Martha St., which consists of Joe and Lillian Knight and daughters, Shirley who is 12, and Sandra who is 7 years old. They are originally from Texas but have lived in Torrance for the past nine years, most recently on 204th St. Joe is an inspector in the department of industrial weights for the county of Los Angeles. They have one married daughter who lives in Lakewood, and two grandchildren. Joe's hobby is golf, and Lillian plays golf when she can find a golf partner.

Mustn't forget the very nice get-together that was had at Sue Witz' house last week on Huber Ave. It was also a sojable evening with delicious refreshments of good old American apple pie and coffee served to Mrs. Betty Greybill, Lucille Triplett, Shirley Moraine, Barbara Lyons and Irene Hoy.

Our Kettler Knolls is certainly a melting pot of professions and hobbies. I was talking to John McGuire of Marine St. the other day and discovered he's quite a musician in his spare time . . . he has his own swing trio of piano, bass, viol and guitar, and plays at events in the harbor area. He also writes music and lyrics, so is anxious to meet anyone with like interests. Last Monday night he went up to Hollywood to audition for the Peter Porter program. He's been on it twice before and though he didn't sell any of his music, he did win first place both times. Mr. Glen Hall of Torrance sings the lyrics for him. At present John is on vacation, so instead of going somewhere for the whole time, he and his wife Betty have just taken a short jaunt here and there. One of those trips took them to Tijuana to show Betty's aunt, Miss Elizabeth Sheets, how they live "south of the border." Miss Sheets is originally from Indianapolis, Ind., but has decided to make her home in California, so until she decides just where, she is the houseguest of Betty and John.

Richfield Plans Huge Expansion

A \$40-million refinery expansion project to meet increased military aviation fuel requirements and the west's growing demand for gasoline was announced yesterday by Richfield Oil Corporation.

Construction contracts will be let immediately, and it is expected the work at Richfield's Dominguez refinery will be completed in 1954.

Largest refinery expansion program on the Pacific coast in recent years, the project includes a new catalytic cracking unit with a larger capacity than any similar unit here on the coast, and which is among the largest in the world.

The project will increase Richfield's aviation gasoline production to more than three million gallons a day and will boost total gasoline output by more than 40 per cent.

Traffic Fatalities Up

Traffic accidents in the Southland during the first six months of this year killed 926 persons, 56 more than in the same period of 1951, it was revealed today by the Public Safety Department of the Automobile Club of Southern California.
